

Owensboro Symphony Youth Orchestras

Thank you for supporting OSYO through submitting your program advertisement! Financial support from civic-minded organizations make it possible for OSYO to continue providing quality music education and performance experiences for its OSYO members, as well as affordable family-friendly performances for its audiences.

Over 100 OSYO student members, elementary through high school, come from several different counties and schools providing a large and geographically diverse performing group and respective audience. OSYO offers two orchestras and various chamber ensembles. Tuition and private lesson scholarships are provided for members in financial need.

A unique OSYO program is distributed at each of our 2 concerts throughout the season, reaching over 2,000 arts patrons. Concerts are held at the Owensboro High School First Christian Church, and other venues around the state.

OSYO is a non-profit 501(c)(3) under OSO Association.
